

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

30 June 2020

Dear Parent/Carer

As we approach what is the end of a unique academic year, we are conscious that we have not yet been able to disseminate plans for September. The Prime Minister has announced that “primary and secondary education will recommence in September with full attendance”, however we are still awaiting guidance from the government as to exactly what this will look like. This guidance is expected on Friday 3rd July.

Once received, myself and the senior team will need to digest this guidance before formulating a definitive plan for September, which we hope will see all students returning back to school on a full time basis. However, I can assure you that, as always, we will prioritise the safety of all students and staff in line with any guidance issued. At a local level, with areas of the East Midlands widely publicised as struggling to contain the Covid-19 outbreak, any plans at this stage will still need to be treated with caution and will also need to be flexible.

The academic year for our new Year 7 and 12 is scheduled to begin on Wednesday 2 September with all other year groups scheduled to return on Thursday 3 September. We will be in contact as soon as possible to confirm the logistics around our return.

Once again we really appreciate all of the parental support throughout this difficult period.

Yours sincerely

Mr S Huntington
