

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: Mr S Huntington

As a number of students in Years 10 and 12 will be returning to school from the 15th June 2020, we have updated our provision for Home Learning. Students in all year groups will continue to be set high quality work each week via Google Classroom. This will be uploaded by 8pm on Sunday each week.

In addition to this:

- Students in **Years 7, 8 and 9** will now be able to access at least one ‘live’ online lesson each day via Google Meets (see timetable below). They should be encouraged to log on to these lessons as much as possible. **Cameras and microphones should be switched off unless directed to do otherwise by the teacher.**
- A variety of online ‘live’ lessons and drop-in sessions will continue for Years 10 and 12.

GOOGLE MEETS TIMETABLE:

The codes needed for each GoogleMeet will be shared on Google Classroom by subject teachers.
