

10 September 2021

Dear Parent/Carer

Your child has been selected to participate in a programme led by Miss March which is centered around aspiration and achievement. The programme will run over the course of the academic year and support the students throughout what will inevitably be a challenging but rewarding year.

The students will be expected to take part in a number of different activities (both linked to the curriculum and extra-curricular) which not only aim to develop their resilience and motivation but also nurture a sense of leadership. These activities will be independent and students will be asked to complete them at home; they have been tailored towards this group of students in particular and should be engaging and enjoyable. Students will also each be given a non-fiction book which they will be expected to read excerpts from as the basis of many of the activities.

Each week the students will meet with Miss March on a Thursday during tutor time to feedback on their reading and discuss the activities they have completed.

There will be regular rewards for students who engage with the programme and we are planning a larger rewards trip to celebrate the completion of the programme later on in the academic year. More details will follow regarding this trip.

We would really appreciate your support with the programme by engaging the students in discussions about their reading and activities, and encouraging them to make the most of this experience.

If you have any questions, please get in touch.

Yours sincerely

Miss T March  
English KS3 Coordinator

Mr J Wright  
Y11 Achievement Leader
