

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

June 2021

Dear Parent/Carer

I am very pleased to inform everyone that we will be taking 118 students skiing in February 2022. Moving forward, please see below key information and also the payment plan should you wish to pay this trip off in instalments.

It is important that I mention and make very clear that the deposit, and any future payments paid towards the trip, are regrettably non-refundable if, for any reason, your child should pull out. I should also mention, due to the nature of the agreed payment plan with the school finance department, should you persistently miss payment windows, your child's place will be put at risk with a decision made on removing them and their place re-advertised.

The total cost of the trip is £890, which means that in addition to the £50 deposit and £100 instalment you have already paid, there is now a balance of £740, which needs to be paid by the end of November 2021. In order to spread payments out and to make the cost more manageable, the following payment plan has been agreed:-

- w/c 14 June 2021 - £185
- w/c 6 September 2021 - £185
- w/c 4 October 2021 - £185
- w/c 1 November 2021 - £185

Please note that payments can be made at any point in the week with the deadline for each payment window being the Friday of that week.

Payments should be made via ParentPay. Please contact Lisa Waterfall or me if you have any concerns regarding payment.

More information on the trip will be made available in the coming months via Twitter and newsletters posted on the school website. I would also encourage you to view the ski trip Twitter page as we will continue to post news updates and will aim to keep you informed every step of the way to the departure date.

You can visit <http://visionsineducation.co.uk/ski-board-tours/european-ski-destinations/> to find out more information. There will be a full parents' information evening at school prior to the visit but, in the meantime, please do not hesitate to contact me if you have any questions.

Further information will be shared with you in due course to support you getting your child prepared for their exciting adventure!

Events to be hosted:-

- Ski trip briefing - parents and students
- Ski trip briefing - students

Yours sincerely

Mr J Ryan
