

15 October 2021

Dear Parent/Carer

I am pleased to be able to offer your child the opportunity to visit Silverstone Interactive Museum as part of their maths curriculum. Students will have the opportunity to explore the 4000m² exhibition, looking at the past, present and future of Silverstone and British Motorsport. They will also take part in a STEM (science, technology, engineering and maths) workshop linking to the maths curriculum.

The visit will take place on Thursday 18 November 2021. **Students will need to arrive at school for 8.30am, leaving school at 8.45am, returning at approximately 3.30pm.**

Students will need to wear their full school uniform and bring a packed lunch. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is entitled to free school meals and requires a packed lunch on the day, please order one via ParentPay.

The cost of this trip is £15.00 per student (subsidised by school), which includes return coach travel and entrance to the museum. Please log on to ParentPay to make a payment by Monday 1 November 2021. Please contact either Miss Hulland or Mrs McLeod if you have any concerns regarding the cost.

Students who don't want to go on this trip will be expected in school and will participate in school-based activities.

Yours sincerely

Mr Robson
Maths Teacher
