

November 2021

Dear Parent/Carer

Year 10 hair & beauty students have been working hard on their current coursework; learning about the science behind the hair and beauty industry. They have also been studying different types of skin and hair and the many product formulations that help to treat them. Part of the coursework includes creating a product formulation.

I have arranged a trip to Lush in Derbion shopping centre, Derby, where students will formulate and create their own bubble bar to take home. This will take place on Thursday 18 November 2021. Students will be leaving school at 8.10am via the school minibus, with the session at Lush starting at 9.00am. They don't need to wear their school uniform but must dress appropriately. After the workshop, they will spend time on a research task looking at hair and beauty retail facilities within the shopping centre. They will return to school via the minibus at 12noon in time for lunch.

The cost of the workshop is £15 per student. Please logon to your child's ParentPay account to make a payment and give your consent. If you require a PayPoint card, please contact school as soon as possible. Payment is required by Friday 12 November 2021.

Yours sincerely

Miss L McHugh
Hair & Beauty Teacher
