

21 December 2021

Dear Parent/Carer

As we come to the end of a very busy term, I would like to draw your attention to specific arrangements for your child regarding their return to school in January.

You will have received communication from Mr Huntington about the logistics for the Year 11 Covid tests on Monday 10 January, but due to your child having an examination that week, plans will differ for them.

Monday 10 January

Your child will have a formal Creative iMedia exam (they have been made aware of this) in the afternoon. They need to arrive at school at **10.45am** for their Covid test. Following a negative result your child will attend an iMedia revision session in D and E block. Students will have their lunch between 12.30pm-1.00pm before completing their exam at 1.25pm. They will return home upon completion of the exam.

Attendance of this examination is compulsory as it counts towards their final GCSE mark.

I wish you a merry yet safe Christmas.

Yours sincerely

Mr Wright
Year 11 Achievement Leader
