

21 January 2022

Dear Parent/Carer

Firstly, I am writing to wish you a Happy New Year. I hope you managed to have a slightly more 'normal' break than in the previous year.

Secondly, as we reach this pivotal time in your child's education, I am writing to invite you to the Year 11 Education Evening on Monday 14 February (5.30pm-7.30pm). The aim of the evening is to help prepare your child for their March examinations and then, beyond that, the final few months of their GCSE year. There will be specific sessions based around the core subjects of English, maths and science as well as the opportunity to speak to all faculty areas and a session on planning for effective revision.

All sessions are designed specifically to show you as parents and carers how you can best support your child. All students will revise for their exams, but we want to make sure all the hours they spend are used in the correct manner to give them the best possible outcome.

In order to accommodate everyone, this event is limited to just one adult and one student. Please fill out the form below to help us plan accordingly. **The form will close on Friday 4 February.**
