

14 March 2022

Dear Parent/Carer

As we are in the midst of the mock examination period I am writing to say how pleased I am with the conduct, application and resilience that the students have shown so far. It has been a tiring first week of exams for students so I hope they found the time to recuperate this weekend whilst still finding the time to revise.

I am also writing to give you advance warning of revision sessions that will be taking place during the Easter holidays. These sessions will be open to all Year 11 students, but following on from the mock examination results these sessions will be compulsory for some. The sessions will run on the below dates between 9.00am-12.00noon.

**Easter School Timetable**

	Monday 11 April	Tuesday 12 April	Wednesday 13 April	Thursday 14 April	Friday 15 April
Week 1	Science KS4 Hair & Beauty KS4	Maths KS4	English KS4	Art & Design Engineering Music KS4 (coursework)	Good Friday

	Mon 18 April	Tuesday 19 April	Wednesday 20 April	Thursday 21 April	Friday 22 April
Week 2	Easter Monday			Sport Science HMP	Social Sciences

Finally, I wish to echo what I have previously communicated that these next few weeks are vital for your child and their outcomes. It will be difficult and they need to continue to demonstrate resilience knowing that their GCSEs will soon be over. We continue to be proud of them and how they have handled the last difficult two years and we will continue to support them in the final few weeks. It still is not too late to make a change to study habits and your support at home continues to be appreciated.

Yours sincerely

**Mr Wright**  
Year 11 Achievement Leader
