

28 April 2022

Dear Parent/Carer

As you will know, a small group of Year 9 and 10 students took part in The Brilliant Club before Easter. The graduation trip for this programme will be held on Wednesday 11 May 2022 at the University of Warwick.

This trip will give students an opportunity to visit the university, see the facilities it has to offer and ask questions about university life. This will provide them the chance to start thinking about whether they may like to go to university in the future and find out about some courses they may have a passion for.

We will be leaving school at 8.00am and will return at approximately 3.00pm. Students will need to bring a packed lunch as no lunch will be provided. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.**

This trip is free of charge. However, please logon to your child's ParentPay account to give consent for them to attend the trip.

If you have any further questions, please do not hesitate to get in touch.

Yours sincerely

**Miss R Waring**  
Youth Aspiration Mentor
