

5 April 2022

Dear Parent/Carer

Your child has expressed an interest in completing an apprenticeship as part of their Post 16 education. Therefore, I am writing to signpost you to an information and registration event during the Easter holidays at Learning Unlimited Derby (15-21 Royal Scot Road, Pride Park, Derby, DE24 8AJ) on the dates below.

At the sessions students will be formally registered with Learning Unlimited Derby and provided with an overview of apprenticeships they offer. They will also complete the application process, undertake an interview with a Learning Unlimited consultant (please remind them to dress appropriately for a formal interview) and log their interest for the current vacancies available with Learning Unlimited.

If you are interested in attending please use the Eventbrite links below to register for a session:-

Wednesday 13 April – Service Sector (office based) Apprenticeship Assessment Day

<https://servicesector13april.eventbrite.co.uk>
