

April 2022

Dear Parent/Carer

A really exciting opportunity has arisen for our Year 7 students to experience a HGSA trip to Kingswood Activity Centre in West Runton, Norfolk during our activity week at the end of the year. Due to rising costs for experiences and transport, we are unable to offer a full year group trip. However, we have a limited number of places available on the rearranged Year 8 trip.

Kingswood is an outdoor education centre which we have visited many times in the past. It is a centre which works towards developing students' communication, teamwork, confidence and resilience skills. The trip is planned for 18th- 20th July 2022.

The trip will include:

- Two-night stay
- A range of outdoor adventurous activities (dependent on weather) organised by specialist outdoor instructors
- All meals
- Transport
- Insurance

The cost of the trip is £220 and we are offering this opportunity on a first come, first served basis due to the limited numbers available. **To confirm your interest, an initial non-refundable deposit of £50 per student is required by Friday 6 May 2022.**

Payments will then be required on the following dates:

Friday 27 May - £50

Friday 24 June - £50

Friday 29 July - £70

Payment should be made via ParentPay. Please contact Ms Hulland, trip lead, if there are any concerns regarding payment.

You can visit the following website for further details on the centre: <https://www.kingswood.co.uk/activity-centres/west-runton/>

There will be further Information available in the near future, but in the meantime, please do not hesitate to contact Ms Hulland for further details.

Yours sincerely

Rachael Saunders
Associate Assistant Principal – DSL & SENDCo
Year 7 Acting Achievement Leader
