

11 May 2022

Dear Parent/Carer

Visual Arts Exhibition 2022

I am excited to announce we will be hosting a new event this year to promote the incredible work by visual arts students. The Visual Arts Exhibition will be held on Wednesday 6 July, with doors opening at 5pm and the last entry at 7pm. A bar with refreshments will be available on the night (cash only). This will be held in the Sixth Form Common Room. The exhibition should take approximately 30 minutes so I advise you arrive with plenty of time to view all of the exhibit.

The exhibition is a celebration of students' coursework and final pieces in Year 11 and 13 studying either Art, Photography or Graphics. Students have worked incredibly hard over the past 2 years and the standard of work is exemplary. They have been working on a variety of different projects which include a range of themes varying from climate change to traditional portraiture.

The exam board OCR allows the school to exhibit live coursework. **However, photographs are strictly prohibited.** I would appreciate your support with this by not taking photographs or sharing anything on social media.

You are most welcome to invite family and friends to this free event. It would be particularly beneficial for students who are currently studying any of the visual art subjects in GCSE or A Level. Key Stage 3 students are also encouraged to attend if they are interested in these option subjects later in their school journey.

Please RSVP to the Google Form link below:
