Dear Parent/Carer

Welcome back to our final term of Year 10.

This term sees many exciting opportunities and events for our school, together with Year 10 mock examinations. These will run during the weeks beginning 20 and 27 June and will replicate Year 11 mocks and GCSEs. Students will sit all mock exams in designated exam areas, with outside invigilators, following the protocol for Year 11 exams. A mock exam timetable will be issued for every student over the next 2 weeks.

We appreciate that this can be an anxious time for many students and, with this in mind, we have been preparing them during tutor time and assemblies with revision preparation and well-being resources.

As always, we ask that you support your child in their preparation for their mock exams, ensuring they get sufficient sleep, preferably without phones in their rooms, eat well and plan their revision to allow them the best possible chance to succeed. If you are able to get actively involved in your child's revision by testing them on revision cards or key words, this would really help them.

If you have any questions or concerns please do not hesitate to contact us.

May I take this opportunity to thank you for your continued support as we move into the final stage of your child's journey towards GCSE success.

Yours sincerely

Mrs L Boyles
Year 10 Achievement Leader
