

5 July 2022

Dear Parent/Carer

The school's CCF have been allocated a flying date at RAF Cranwell on Thursday 14 July 2022. Only eight places are available and priority will be given to those cadets who have yet to fly (providing they have passed their Part 1 Syllabus). This doesn't mean that your child is guaranteed to go flying, but will be eligible for selection.

Cadets should bring a packed lunch and something to drink, and also have had breakfast. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is in receipt of free school meals and requires a packed lunch on the day, please order one via ParentPay.

They are to attend in working blue uniform (dark blue shirt) and should wear (or bring) soft soled shoes (not leather soled or metal tipped). Trainers are fine and socks that cover the ankles and reach to mid-calf should be worn (female cadets are not to wear skirts). The cadet ID card is also required.

Sunglasses are recommended to be worn when airborne. On sunny days it is quite uncomfortable without them. Flying suit, helmet and gloves will be provided.

I won't know if flying will go ahead until 09.00 on the morning, so cadets are to attend school as normal with their school uniform and equipment in case flying is cancelled. Cadet uniform can be left in the CCF building. We will be leaving school at 09.00 returning at approximately 18.00. If we are delayed for any reason, students will be able to call home to inform you.

This trip is free. However, please logon to ParentPay to give consent for your child to participate.

Yours sincerely

SSGT Marc Jackson
